Resolution 2019-009

A RESOLUTION BY THE BOARD OF FIRE COMMISSIONERS OF PIERCE COUNTY FIRE PROTECTION DISTRICT NO. 18. AUTHORIZING THE BRAND NAME SOLICITATION OF PLYMOVENT EXHAUST SYSTEMS.

WHEREAS, Orting Valley Fire & Rescue (the "District") has been awarded a grant to purchase and install a new exhaust system at two stations; and

WHEREAS, Station 43 has a Plymovent exhaust system; and

WHEREAS, the District will be replacing the existing exhaust system in Station 40 and installing a new system in Station 42; and

WHEREAS, the District finds numerous benefits in having the same exhaust system in all three fire stations, including but not limited to consistent performance between stations, consistency of warranties, ability to use a single authorized vendor for installation, maintenance and repair, and lower cost of maintenance due to economies of scale; and

WHEREAS, the District finds that a brand name solicitation is justified in this instance.

NOW, THEREFORE BE IT HEREBY RESOLVED that the District may use a brand name solicitation for the bid solicitation for the purchase and installation of two new exhaust systems.

ADOPTED by the Board of Fire Commissioners of Pierce County Fire Protection District No. 18, at an open public meeting thereof this 3rd day of October 2019, of which notice was given in the manner provided by law, the following Commissioners being present and voting.
